Click on Activation Link

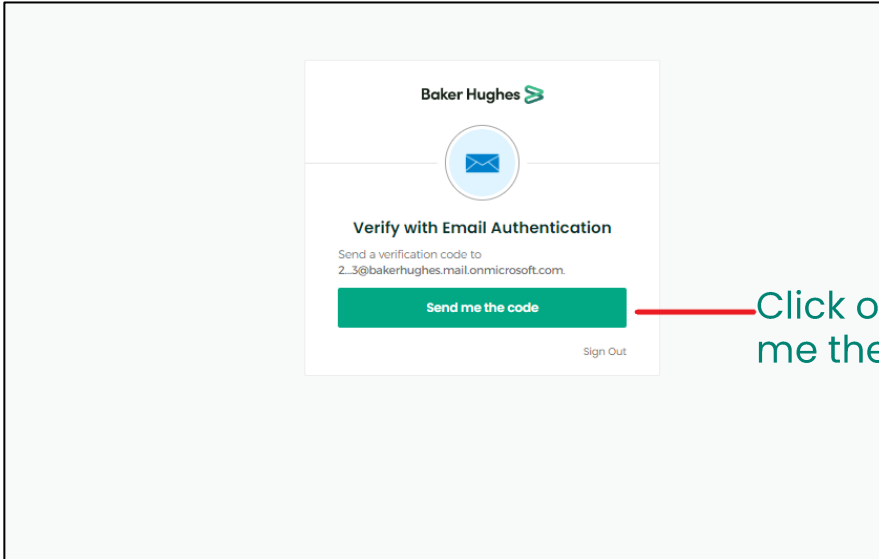

Record your Username

# Activation Page

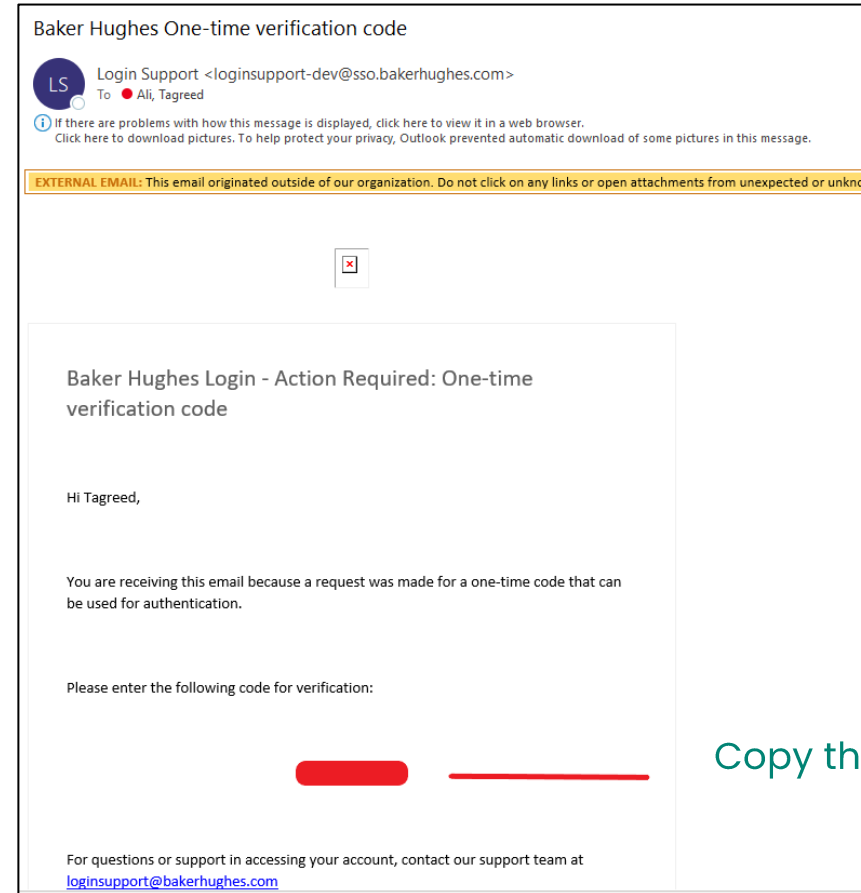

- You will be requested to create your password, confirm the password and choose security image then click on Create my Account

The screenshot shows a web browser window with the URL `https://login-dev.bakerhughes.com/user/welcome`. The page features the Baker Hughes logo at the top. The main content area is titled "Welcome to Baker Hughes Login, Tagreed! Create your Baker Hughes Login account". It contains two main sections: a password creation section and a security image selection section. The password section includes a text input field for "Enter new password", a list of "Password requirements" (at least 8 characters, lowercase and uppercase letters, a number, no parts of the username, and no first or last names), and a "Repeat new password" input field. The security image section includes a grid of 12 images for selection. A "Create My Account" button is located at the bottom right of the form. Red lines with text labels point to the password input field ("Enter new Password"), the repeat password input field ("Confirm Password"), the security image grid ("Choose Security Image"), and the "Create My Account" button ("Click on Create My Account").

# Verification Step

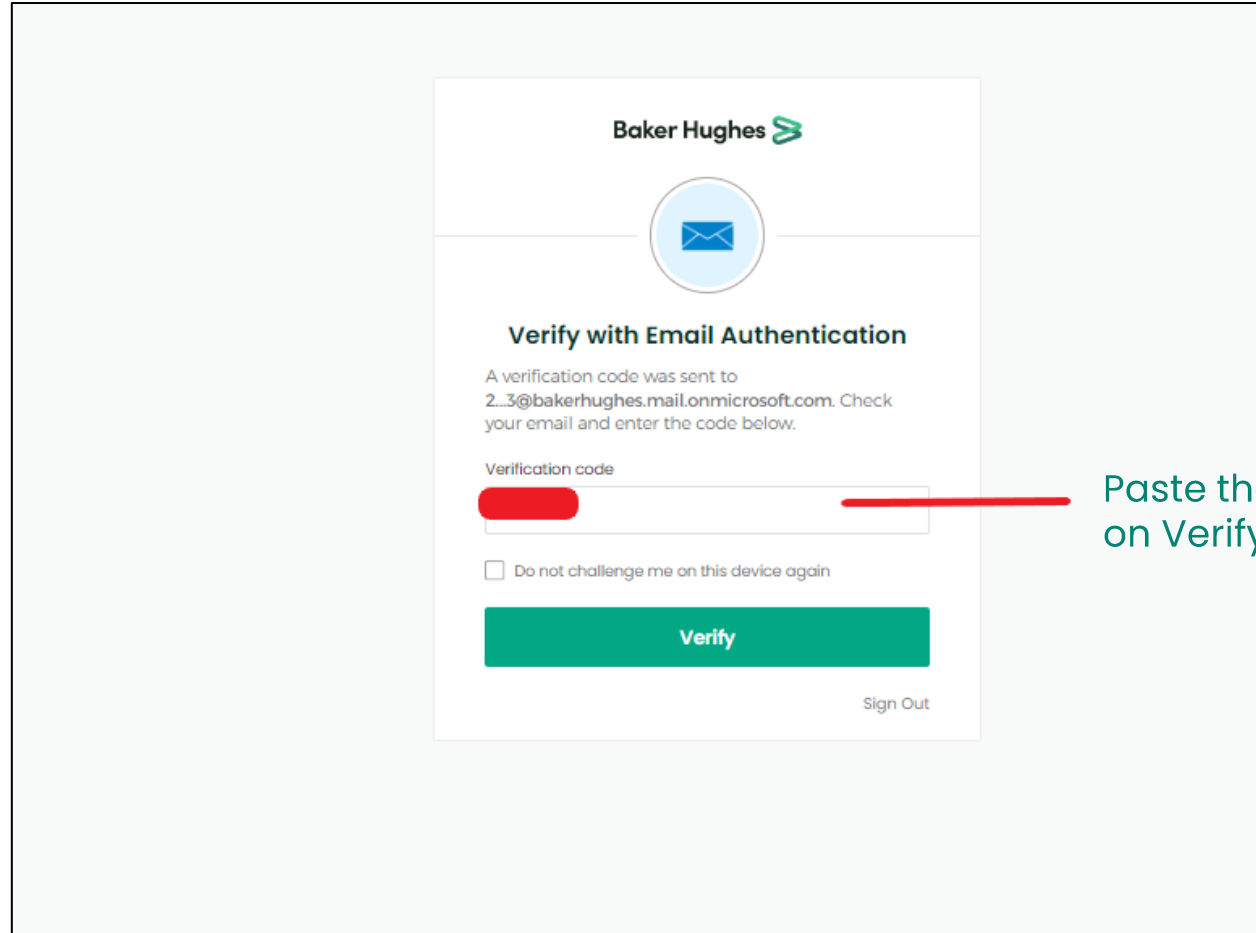

Click on "Send me the Code"

Copy this Code

# Verification Step- Continue

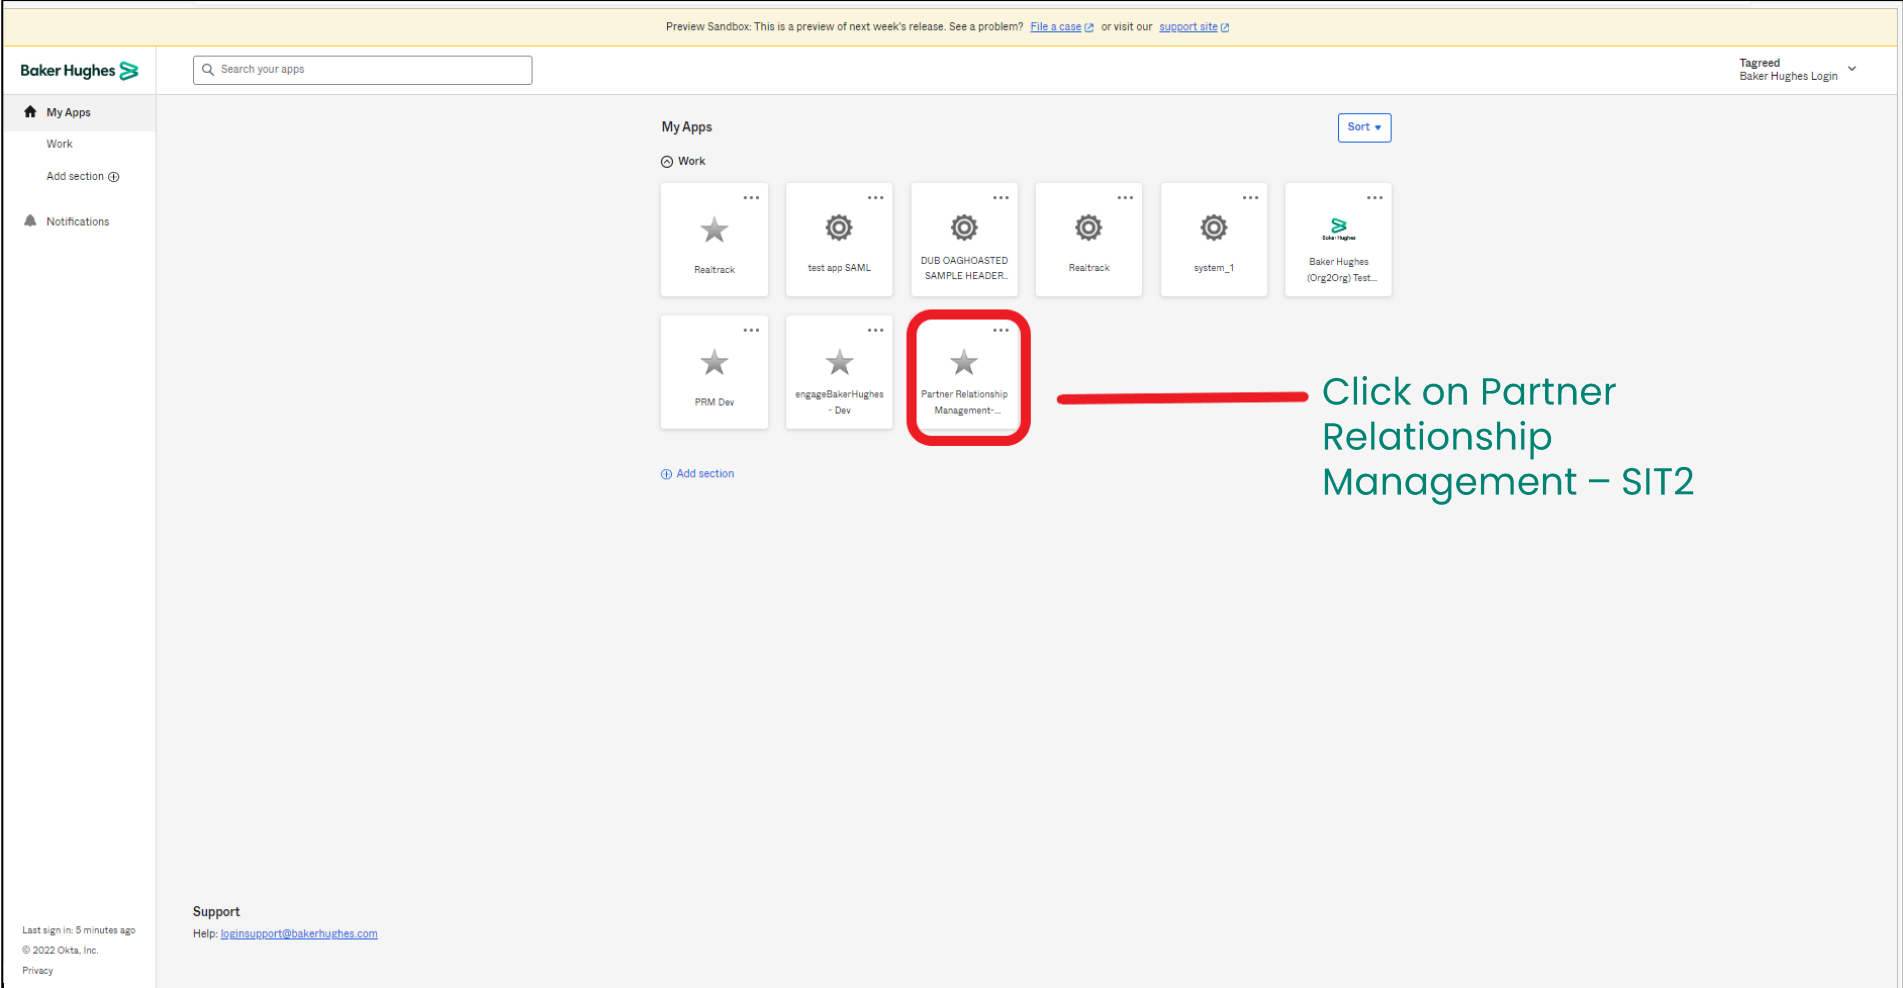

The screenshot shows a web interface for Baker Hughes. At the top, the Baker Hughes logo is displayed. Below it is a blue envelope icon in a circle. The main heading is "Verify with Email Authentication". Below this, a message states: "A verification code was sent to 2...3@bakerhughes.mail.onmicrosoft.com. Check your email and enter the code below." There is a text input field labeled "Verification code" with a red pill-shaped cursor at the end. Below the input field is a checkbox labeled "Do not challenge me on this device again". At the bottom of the form is a large green "Verify" button and a smaller "Sign Out" link.

Paste the code and click on Verify

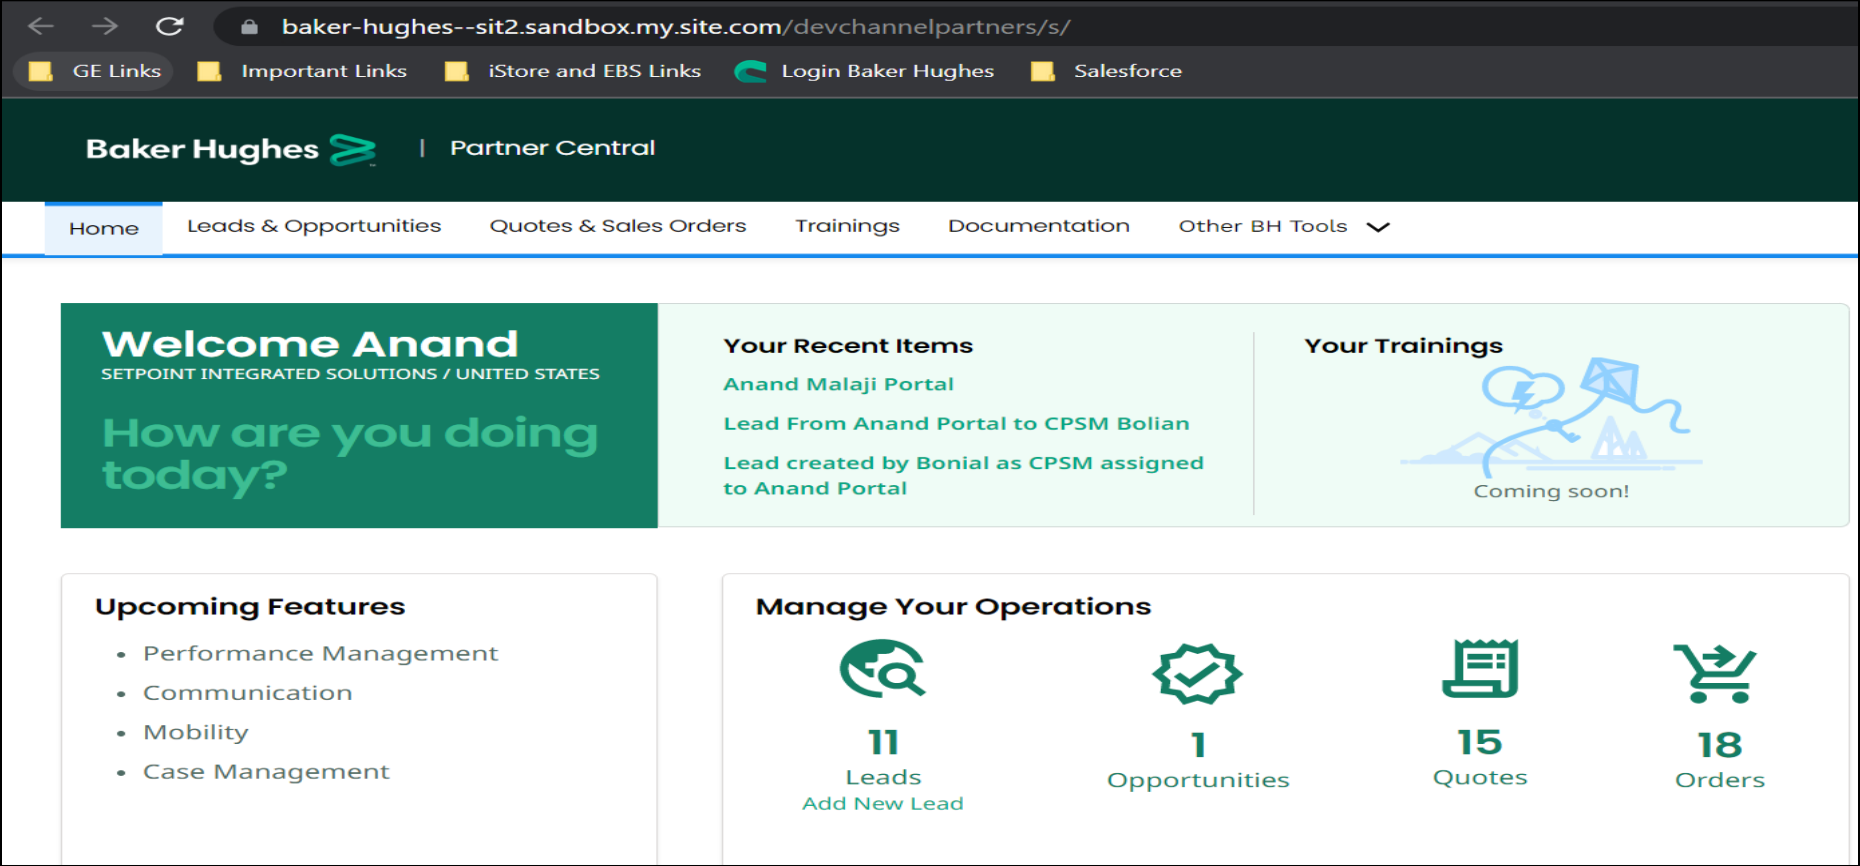

# My Apps – Page

Once you perform the verification step, you will be redirected to <https://login-dev.bakerhughes.com/app/UserHome>

# Partner Portal- Home Page

Once you click on Partner Relationship Management, you will be redirected to home page of PRM Portal.
